

Photo Print Release for Personal Use

When you purchase digital photos from **Action Shots 4 Kids**, you have permission to print and share those photos for personal use.

- **Print your photos** at home or through a photo lab of your choice. You can show this release and your order confirmation if the lab asks for permission.
- **Make keepsakes and gifts**, such as photo albums, holiday cards, and prints for family and friends.
- **Share your child's individual portraits** with family and friends or on your personal social media accounts.

Action Shots 4 Kids retains the copyright to the photos. Please keep any logos or watermarks intact. Selling the photos or using them for advertising, promotions, or other business purposes requires written permission from Action Shots 4 Kids.

For questions or additional permission, please reach out through our website's contact page.
